ATTN: Mr. Stanley J. Grogan, Assistant to the Director

Dear Mr. Grogan:

I would like to have a copy of Allen Dulles' recent speech before the U. S. Chamber of Commerce. I find his and other public statements of CIA personnel to be most informative and would like to be placed on the mailing list to receive these releases whenever they are available.

People who try to stay informed on economic competition between USSR and the US can not help but be increasingly concerned. I think Mr. Dulles is moving in the right direction in making the nature of this competition widely known.

Sincerely,

A handwritten signature in dark ink, appearing to read "R. G. James", written over the typed name.

Dr. Robert G. James  
Assistant director  
Economics and Statistics Division
